### INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Ms. Kristin Lail, Grants Coordinator  
Minnesota Department of Public Safety

Oversight Committee  
Buffalo Ridge Drug Task Force

We have performed the procedures enumerated below, which were agreed to by the Minnesota Department of Public Safety and the Buffalo Ridge Drug Task Force, solely to assist you in determining that the Buffalo Ridge Drug Task Force followed policies and procedures regarding accounting for seized funds and property and related forfeitures and the use of confidential/drug buy funds. These procedures were applied to the Buffalo Ridge Drug Task Force records for the 12-month period ending September 30, 2012. The Buffalo Ridge Drug Task Force's management is responsible for the records of the Task Force. This engagement to apply agreed-upon procedures was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Minnesota Department of Public Safety and the Buffalo Ridge Drug Task Force. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. Procedure

Determine that seized funds and property and related forfeitures are accounted for in accordance with policies, procedures, and regulations.

Findings

We obtained a listing of all property seized subject to forfeiture for the 12-month period ending September 30, 2012. The 45 items on the list consisted of cash, guns, vehicles, and cell phones. We selected 2 cash seizures, 1 gun seizure, 1 vehicle seizure, and 2 cell

phone seizures for testing. We traced the documentation of the activity for each selected item from the point of seizure to the record of the item being held in forfeiture pending judicial order or to the forfeiture record for closed cases, as applicable. We noted no exceptions to the accounting of the items in accordance with policies, procedures, and regulations.

2. Procedure

Determine that the use of confidential/drug buy funds is accounted for in accordance with policies, procedures, and regulations.

Findings

We obtained a listing of all purchases made with buy funds from October 1, 2011, to September 30, 2012. Buy funds are kept in a locked safe in the Task Force Commander's office. The Commander replenishes the buy funds by receiving cash from the City of Worthington's Deputy Sergeant. Buy funds are generally used for payments to confidential informants (CI) for information, drug purchases, and flash money. We selected 5 of the 16 items on the list to trace the documentation of activity from the point of withdrawal of buy funds to approval. Of the 5 items selected, 2 were payments to CIs for drug purchases, 1 was a payment to a CI for gas money, 1 was a payment to a CI for a phone payment, and 1 was for a purchase of drugs made by an undercover agent. We noted no exceptions to the accounting of the items in accordance with policies, procedures, and regulations.

\* \* \* \* \*

We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion on the accounting records. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Minnesota Department of Public Safety and the Buffalo Ridge Drug Task Force and is not intended to be, and should not be, used by anyone other than those specified parties.
